Minors—Kansas Juvenile Offenders Code—Confinement of Juveniles in Adult Jails; Potential Liability of Local Officials. Theodore B. Ice, District Court Judge, Harvey County, Newton, May 31, 1990.

A sheriff may incur liability for confining a juvenile offender in jail, even when juvenile detention facilities are not available. However, local units of government may be held liable for releasing a juvenile offender who then proceeds to commit subsequent crimes. Counties and County Officers—General Provisions—Exemption of County from act of Legislature; Procedure; Sufficiency of Petition.

Elections—Sufficiency of Petitions—Petition Documents; Question; Verification. Philip S. Harness, Johnson County County Counselor, Olathe, June 4, 1990.

K.S.A. 19-101b does not specifically provide a format for a petition demanding that a resolution of a county be submitted to a vote of the electors. Therefore, such a petition must meet the requirements of K.S.A. 25-3602. The petition must clearly state the question which petitioners seek to bring to an election and each circulator must sign a verification at the end of each set of documents which that circulator carried. It is not necessary for each and every document to contain a separate verification. The verification must be accompanied by an oath or affirmation of the circulator stating to the effect that the circulator has personally witnessed the signatures contained on the documents. In lieu of an oath or affirmation, the verification may be accompanied by the statement contained in K.S.A. 1989 Supp. 53-601. However, state statute does not require that the verification be notarized. 30-22-33. Special purpose grants to community mental retardation centers. (a) Community mental retardation centers may receive special purpose grants from the secretary of social and rehabilitation services or the secretary's designee. These grants are for the purpose of expanding the availability of non-institutional services for persons with mental retardation/developmental disabilities. These grants are distinct from the state financing provided under provisions of K.A.R. 30-22-32.

(b) Grants subject to appropriations. The total funds disbursed by the secretary in accordance with these regulations shall not exceed the amount appropriated.

(c) General eligibility for grants. Only community mental retardation centers having been established pursuant to K.S.A. 19-4001 to 19-4015 inclusive, or agencies with affiliation agreements with these centers that have been approved by the secretary or the secretary's designee, and that have been licensed in accordance with the provisions of K.S.A. 75-3307b shall be eligible to receive special purpose grant funding. Providers that have not been established pursuant to K.S.A. 19-4001 to 19-4015, but have been licensed in accordance with the provisions

of K.S.A. 65-501 instead of K.S.A. 75-3307b, may also receive special purpose grant funding if services offered by these providers allow the diversion or discharge of persons 18 years or less from state mental retardation hospitals.

- (d) Application for funds. Eligible centers shall apply to the secretary or the secretary's designee to receive special purpose grant funding. Applications must be submitted in a manner prescribed by the secretary or the secretary's designee and must be submitted by the date and time specified by the secretary or the secretary's designee.

Eligible providers may receive assistance in accordance with the provisions of the mental health and retardation services commissioner's letter on supported family living.
- (1) Funds may be awarded to centers on the basis of the number of eligible program units, as defined in K.A.R. 30-22-32, that are proposed to be provided by the center during the fiscal year for which the grant is awarded. For newly awarded grants, program units must be in addition to the number of total units provided during the preceding fiscal year. For continuation grants initially awarded in previous years, the number of program units may equal the number of units funded by the grant in the previous fiscal year. This unit number is in turn multiplied by the program unit per diem rates established by the secretary or the secretary's designee. For new grants, centers may receive start-up funds in addition to those awarded for provision of program units to allow purchase of necessary materials, supplies and equipment.
- (2) If the appropriation is insufficient to fund the cumulative number of program units proposed to be provided by all eligible centers, eligible centers may receive funding on the basis of the percentage of the state's population included within the center's catchment area and the percentage of the statewide total number of program units not funded by the special purpose grants or medicaid that are provided by the respective center.

(3) If the center fails to provide the number of program units on which the grant award was based, the center will be required to return a prorated amount of special purpose grant funding to social and rehabilitation services.

(f) Grant agreement. Additional requirements not specified in regulation may be imposed upon the centers receiving special purpose grant funding. These requirements may be contained in a contractual agreement between the center and social and rehabilitation services.

Conditions of Bids

Bids will be received for the bonds bearing such rate or rates of interest as may be specified by the bidder. The same rate will apply to all bonds of the same maturity. Each interest rate specified will be in an even multiple of 1/8 or 1/20 of 1 percent. The difference between the highest and lowest rates specified in any bid will not exceed 21/2 percent. No interest rate will exceed the maximum interest rate allowed by Kansas law, said rate being the index of treasury bonds published in the weekly Muni Week, f/k/a Credit Markets, in New York, New York, on the Monday next preceding the day on which the bonds are sold, plus 2 percent. No bid of less than par and accrued interest will be considered. Bids for less than the entire issue of bonds will not be considered.

Bid Form and Good Faith Deposit

Bids will be submitted on the official bid form furnished by and secured from the city clerk and will be addressed to the city at City Hall, P.O. Box 321, Chapman, KS 67410, Attention: City Clerk, Marietta Lucas, and will be plainly marked "Bond Bid." No changes to said form are authorized; changes or erasures thereon may cause rejection of any bid. Each bid will specify the total interest cost to the city on the basis of such bid and the average annual net interest rate on the basis of such bid. The net interest cost to the city will be determined by subtracting the amount of the premium, if any, from the total interest cost upon all the bonds from their date until their respective maturities and will be stated as a dollar amount in the bid. The city will be entitled to rely on such dollar amount as stated in the bid as the basis of determining the lowest net interest cost. If there is any discrepancy between the said net interest cost and the average annual interest rate specified, the specified net interest cost will govern and the rates specified in the bid will be adjusted accordingly.

All bids must state: (1) the total interest cost of the bid; (2) the premium, if any; (3) the net interest cost of the bid; and (4) the average annual interest rate. All of said information shall be certified by the bidder to be correct, and the city will be entitled to rely on the certification of correctness by the bidder. Each bid must be accompanied by a certified or cashier's check equal to 2 percent of the total amount of the bid and shall be payable to "Treasurer, Chapman, Kansas." In the event a bidder whose bid is accepted shall fail to perform under the contract for the purchase of the bonds from the city, said deposit shall be retained by the city as liquidated damages. All checks of unsuccessful bids will be returned promptly. No interest will be paid upon the deposit made

by the successful bidder.

Award of Bids

The sealed bids for the bonds will be opened publicly and only at the time and place specified in this notice. The city reserves the right to reject any and all of the bids and to waive any irregularity. Unless all bids are rejected, the bonds will be awarded to the bidder whose proposal results in the lowest net interest cost to the city.

Delivery of the Bonds

The bonds, duly printed, executed and registered, will be furnished and paid for by the city. The bonds will be sold subject to the unqualified approving opinion of Jonathan P. Small, Chartered, bond counsel, of Topeka, Kansas, a copy of whose opinion will be printed on the reverse side of each bond. Manually signed originals of the opinion will be furnished without expense to the purchaser of the bonds at the delivery thereof. The cost of this legal opinion and the expense of printing the bonds will be paid by the city. Said legal opinion will contain a statement to the effect that the bonds constitute a general obligation of the city payable as to both principal and interest from ad valorem taxes that may be levied without limitation as to rate or amount upon all of the taxable tangible property within the territorial limits of the city. The opinion also will address the exclusion from federal and Kansas income taxation of the interest on the bonds.

The denomination of the bonds and the names, addresses and Social Security or taxpayer identification numbers of the registered owners to be shown on the bonds initially delivered shall be submitted in writing by the successful bidder to the city and bond registrar not later than 5 p.m. C.D.T. on August 1, 1990. In the absence of such information, the city will deliver the bonds in the denomination of each maturity registered in the name of

the successful bidder.

The successful bidder shall furnish the city by 5 p.m. C.D.T. on August 1, 1990, a certificate acceptable to the city's bond counsel to the effect that: (1) the successful bidder has made a bona fide public offering of the bonds at the initial reoffering prices, and (2) a substantial amount of the bonds was sold to the public (excluding brokers and other intermediaries) at such initial reoffering prices. Such certificate shall state that: (a) it is made on the best knowledge, information and belief of the successful bidder, and (b) 10 percent or more in par amount of the bonds of each maturity was sold to the public at or below the initial reoffering prices (such amount being sufficient to establish the sale of a "substantial amount" of the bonds).

The purchaser will be furnished with a complete transcript of proceedings evidencing the authorization and issuance of the bonds and the usual closing proofs, which will include a certificate that there is no litigation pending or threatened at the time of delivery of the bonds affecting their validity. Payment for the bonds will be made in immediately available funds. Delivery of the bonds will be made to the successful bidder on or before August 15, 1990, at any bank in the state of Kansas or Kansas City, Missouri, at the expense of the city. Delivery elsewhere will be made at the expense of the purchaser. The purchase price, together with any premium and accrued interest from the date of the bonds to the date of delivery, will be paid at delivery or the good faith deposit will be forfeited.

Tax Exemption and Qualified Tax-Exempt Obligations

It is the opinion of bond counsel that provided the city complies at all times with the bond resolution and applicable existing law, the interest on the bonds is: (1) excludable from gross income for federal income tax purposes, and (2) is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals and corporations. However, such interest with respect to corporations as defined for federal income tax purposes is taken into account in determining adjusted net book income (adjusted current earnings for taxable years ending after December 31, 1989) for the purpose of computing the alternative minimum tax imposed on such corporations. The exclusion identified in the preceding clause (1) is subject to compliance by the city with all requirements of the Internal Revenue Code of 1986, as amended, which must be satisfied subsequent to issuance of the bonds in order for the interest on the bonds to qualify for such exclusion. Failure to comply with certain of such requirements could cause the interest on the bonds to be so included in federal gross income retroactive to the date of issuance of the bonds. The city will covenant to comply with all such requirements. Bond counsel expresses no opinion regarding other federal tax consequences arising with respect to the bonds.

Prospective bidders for the purchase of the bonds should be aware that: (1) Section 265 of the code denies a deduction for interest on indebtedness incurred or continued to purchase or carry the bonds, or, in the case of a financial institution within the meaning of Section 265(b)(5) of the code, that portion of a bondholder's interest expense allocable to the interest on the bonds; (2) with respect to insurance companies subject to the tax imposed by Section 831 of the code, for taxable years beginning after December 31, 1986, Section 832(b)(5)(B)(i) of the code reduces the deduction for loss reserves by 15 percent of the sum of certain items, including interest on the bonds; (3) for taxable years beginning after December 31, 1986 and prior to January 1, 1992, interest earned on the bonds by some corporations could be subject to the environmental tax imposed by Section 59A of the code; (4) for taxable years beginning after December 31, 1986, the interest earned on the bonds by certain foreign corporations doing business in the United States could be subject to a branch profits tax imposed by Section 884 of the code; (5) passive investment income, including interest on the bonds, may be subject to federal income taxation under Section 1375 of the code for Subchapter S corporations that have Subchapter C earnings and profits at the close of the taxable year if more than 25 percent of the gross receipts of such Subchapter S corporation is passive investment income; and (6) Section 86 of the code requires recipients of certain Social Security and railroad retirement benefits to take into account in determining gross income, receipts or accruals of interest on the bonds. These categories of prospective bondowners should consult their own tax advisers as to the applicability of any of these consequences.

The bonds are exempt from intangible personal property taxes levied by Kansas counties, cities and townships. Interest on the bonds is excludable from the computation

(continued,

of Kansas adjusted gross income whether or not included in federal adjusted gross income.

The city will covenant to take such actions as are necessary to designate the bonds as "qualified tax-exempt obligations" within the meaning of Section 265(b)(3) of the code, and, in the case of certain financial institutions within the meaning of Section 265(b)(5) of the code, a deduction is allowed for 80 percent of that portion of such financial institution's interest expense allocable to interest on the bonds.

Purpose and Security for the Bonds

These bonds are being issued pursuant to K.S.A. 12-1736 et seq., K.S.A. 12-6a01 et seq., K.S.A. 12-614 et seq., K.S.A. 12-6341r and 12-631s, and K.S.A. 12-685 et seq., and amendements thereto, for the purpose of financing a portion of the cost of certain swimming pool improvements and street and storm drainage improvements to the city.

The bonds and the interest thereon will constitute general obligations of the city, payable as to both principal and interest in part from special assessments levied upon specially benefitted property and, if not thus paid, from ad valorem taxes that may be levied without limitation upon all the taxable tangible property, real and personal, within the territorial limits of the city. The balance of the principal and interest on the bonds is payable from ad valorem taxes that may be levied without limitation as to rate or amount upon all of the taxable tangible property within the territorial limits of the city.

Assessed Valuation and Bonded Indebtedness

The total assessed valuation of the taxable tangible property within the city for the year 1989 for the computation of limits upon bonded indebtedness is \$2,313,311. The total general obligation bonded indebtedness of the city as of this date, including this \$316,000 proposed issue of bonds, is \$785,000. Temporary notes in the principal amount of \$319,000 will be retired out of the proceeds of the bonds and other available funds.

Tax Exemption and Qualified Tax-Exempt Obligations

It is the opinion of bond counsel that provided the county complies at all times with the bond resolution and applicable existing law, the interest on the bonds is: (1) excludable from gross income for federal income tax purposes, and (2) is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals and corporations. However, such interest with respect to corporations as defined for federal income tax purposes is taken into account in determining adjusted net book income (adjusted current earnings for taxable years ending after December 31, 1989) for the purpose of computing the alternative minimum tax imposed on such corporations. The exclusion identified in the preceding clause (1) is subject to compliance by the county with all requirements of the Internal Revenue Code of 1986, as amended, which must be satisfied subsequent to issuance of the bonds in order for the interest on the bonds to qualify for such exclusion. Failure to comply with certain of such requirements could cause the interest on the bonds to be so included in federal gross income retroactive to the date of issuance of the bonds. The county will covenant to comply with all such requirements. Bond counsel expresses no opinion regarding other federal tax consequences arising with respect to the bonds.

Prospective bidders for the purchase of the bonds should be aware that: (1) Section 265 of the code denies a deduction for interest on indebtedness incurred or continued to purchase or carry the bonds, or, in the case of a financial institution within the meaning of Section 265(b)(5) of the code, that portion of a bondholder's interest expense allocable to the interest on the bonds; (2) with respect to insurance companies subject to the tax imposed by Section 831 of the code, for taxable years beginning after December 31, 1986, Section 832(b)(5)(B)(i) of the code reduces the deduction for loss reserves by 15 percent of the sum of certain items, including interest on the bonds; (3) for taxable years beginning after December 31, 1986, and prior to January 1, 1992, interest earned on the bonds by some corporations could be subject to the environmental tax imposed by Section 59A of the code; (4) for taxable years beginning after December 31, 1986, the interest earned on the bonds by certain foreign corporations doing business in the United States could be subject to a branch profits tax imposed by Section 884 of the code; (5) passive investment income, including interest on the bonds, may be subject to federal income taxation under Section 1375 of the code for Subchapter S corporations that have Subchapter C earnings and profits at the close of the taxable year if more than 25 percent of the gross receipts of such Subchapter S corporation is passive investment income; and (6) Section 86 of the code requires recipients of certain Social Security and railroad retirement benefits to take into account in determining gross income, receipts or accruals of interest on the bonds. These categories of prospective bondowners should consult their own tax advisers as to the applicability of any of these consequences.

The bonds are exempt from intangible personal property taxes levied by Kansas counties, cities and townships. Interest on the bonds is excludable from the computation of Kansas adjusted gross income whether or not included in federal adjusted gross income.

The county will covenant to take such actions as are necessary to designate the bonds as "qualified tax-exempt obligations" within the meaning of Section 265(b)(3) of the code and, in the case of certain financial institutions within the meaning of Section 265(b)(5) of the code, a deduction is allowed for 80 percent of that portion of such financial institution's interest expense allocable to interest on the bonds

Purpose and Security for the Bonds

These bonds are being issued pursuant to K.S.A. 1989 Supp. 68-1103, and amendements thereto, and Jackson County Home Rule Resolution No. 1987 H.R. 1, for the purpose of financing a portion of the cost of certain bridge and culvert improvements in Jackson County, Kansas.

The bonds and the interest thereon will constitute general obligations of the county, payable as to both principal

and interest from ad valorem taxes that may be levied without limitation as to rate or amount upon all of the taxable tangible property within the territorial limits of the county.

No interest rate shall exceed the index of treasury bonds published by the weekly Muni Week, f/k/a Credit Markets, in New York, New York, on the Monday next preceding the day on which the bonds are sold, plus 2 percent. The difference between the highest rate specified and the lowest rate specified shall not exceed 2 percent. No supplemental interest payments will be authorized. No bid of less than the principal amount of the bonds and accrued interest will be considered. Each bid shall specify the total interest cost to the city during the life of the bond issue on the basis of such bid, the premium, if any, offered by the bidder, and the net interest cost to the city on the basis of such bid. Each bid shall also specify the average annual net interest rate to the city on the basis of such bid. Bidders shall specify in the bid form the prices (exclusive of accrued interest), expressed as a dollar price, at which the bidder intends that each maturity amount of the bonds shall be initially offered to the public (the initial reoffering prices).

Basis of Award

The award of the bonds will be made on the basis of the lowest net interest cost to the city, which will be determined by subtracting the amount of the premium bid, if any, from the total interest cost to the city. If there is any discrepancy between the net interest cost and the average annual net interest rate specified, the specified net interest cost shall govern and the interest rates specified in the bid shall be adjusted accordingly. If two or more proper bids providing for identical amounts for the lowest net interest cost are received, the city shall determine which bid, if any, shall be accepted, and its determination shall be final.

Authorization, Purpose and Security for the Bonds

The bonds are being authorized and issued to permanently finance various street, trafficway, sewer and internal improvements to the city. The bonds will be general obligations of the city payable as to both principal and interest in part from special assessments levied upon specially benefited property and, if not so paid, from ad valorem taxes that may be levied without limitation upon all the taxable tangible property, real and personal, within the territorial limits of the city. The balance of the principal of and interest on the bonds is payable from ad valorem taxes that may be levied without limitation as to rate or amount on all the taxable tangible property, real and personal, within the territorial limits of the city.

Internal Revenue Code of 1986

The Internal Revenue Code of 1986 imposes requirements on the city that must be met subsequent to the issuance of the bonds by the city and, as a result, the

city will and does hereby covenant that it will diligently undertake those steps necessary to maintain the tax-exempt status of the bonds. The city's failure to comply with such requirements could adversely affect the tax-exempt status of the bonds. Purchasers of the bonds should be aware that should the bonds lose their status as tax-exempt obligations as a result of the city's failure to comply with such requirements, the bonds are neither callable nor will the rate of interest on the bonds be adjusted to reflect such circumstances.

The code includes interest on tax-exempt obligations, such as the bonds, in the adjusted net book income of certain corporations for taxable years beginning after December 31, 1986, and includes, through 1989, in the calculation of alternative minimum taxable income one-half of the excess of a corporation's adjusted net book income over its alternative minimum taxable income (determined without regard to this adjustment and prior to reduction for certain net operating losses). After 1989, the use of "book income" will be replaced by "adjusted current earnings," with certain other adjustments. Furthermore, section 59A of the code, as added by the Superfund Amendments and Reauthorization Act of 1986, provides for a new environmental tax generally based on corporate alternative minimum taxable income. The amount of the tax is equal to 0.12 percent of the excess of alternative minimum taxable income, without regard to net operating losses and the deduction for this tax, over \$2 million. The environmental tax is imposed whether or not the taxpayer is subject to the alternative minimum tax. The environmental tax, which is effective for taxable years beginning after December 31, 1986, may subject certain bondowners to additional taxation for interest earned on the bonds.

The code also requires property and casualty insurance companies, for taxable years beginning on or after January 1, 1987, to reduce the amount of their deductible underwriting losses by a percentage of the amount of taxexempt interest received or accrued on obligations acquired after August 7, 1986.

With the exception of certain "qualified tax-exempt obligations," the code provides that banks and thrift institutions may not deduct any portion of the interest cost of purchasing or carrying tax-exempt obligations such as the bonds if such interest cost is incurred in taxable years ending after December 31, 1986, with respect to obligations acquired after August 7, 1986. The city does intend to designate the bonds as "qualified tax-exempt obligations" under Section 265 of the code.

Legal Opinion

The bonds will be sold subject to the legal opinion of Nichols and Wolfe Chartered, Topeka, Kansas, bond counsel, whose approving legal opinion as to the validity of the bonds will be furnished and paid for by the city, printed on the bonds and delivered to the successful bidder when the bonds are delivered. Said opinion will also state that in the opinion of bond counsel, assuming continued compliance by the city with the provisions of the ordinance authorizing the issuance of the bonds and the code, under existing law, the interest on the bonds is exempt from federal income taxation. Interest on the bonds will also be excluded from the computation of Kansas adjusted gross income for taxable years commencing after December 31, 1987.

Delivery and Payment

The city will pay for printing the bonds and will deliver the bonds, without cost to the successful bidder, properly prepared, executed and registered, on or prior to July 13, 1990, at such bank or trust company in the state of Kansas or greater Kansas City, Missouri, metropolitan area as may be specified by the successful bidder. Delivery elsewhere will be at the expense of the successful bidder. Said bidder will also be furnished with a certified transcript of the proceedings evidencing the authorization and issuance of the bonds and the usual closing documents, including a certificate that there is no litigation pending or threatened at the time of delivery of the bonds affecting their validity and a certificate regarding the completeness and accuracy of the official statement. Payment for the bonds shall be made in Federal Reserve funds, immediately subject to use by the city. The denominations of the bonds and the names, addresses and Social Security or taxpayer identification numbers of the registered owners shall be submitted in writing by the successful bidder to the city and bond registrar not later than 4 p.m. C.D.T. on July 3, 1990. In the absence of such information, the city will deliver bonds in the denomination of each maturity registered in the name of the successful bidder.

The successful bidder shall furnish the city by 4 p.m. C.D.T. on July 3, 1990, a certificate acceptable to the city's bond counsel to the effect that: (i) the successful bidder has made a bona fide public offering of the bonds at the initial reoffering prices, and (ii) a substantial amount of the bonds was sold to the public (excluding brokers and other intermediaries) at such initial reoffering prices. Such certificate shall state that: (1) it is made on the best knowledge, information and belief of the successful bidder, and (2) 10 percent or more in par amount of the bonds of each maturity was sold to the public at or below the initial reoffering prices (such amount being sufficient to establish the sale of a "substantial amount" of the bonds).

Good Faith Deposit

Each bid shall be accompanied by a cashier's or certified check drawn on a bank located in the United States of America in the amount of \$41,900, payable to the order of the city to secure the city from any loss resulting from the failure of the bidder to comply with the terms of the bid. No interest will be paid upon the deposit made by the successful bidder. Said check shall be returned to the bidder if the bid is not accepted. If a bid is accepted, said check shall be held by the city until the bidder shall have complied with all of the terms and conditions of this notice, at which time said check shall be returned to the successful bidder or deducted from the purchase price at the option of the city. If a bid is accepted but the city shall fail to deliver the bonds to the bidder in accordance with the terms and conditions of this notice, said check shall be returned to the bidder. If a bid is accepted but the bidder shall default in the performance of any of the terms and conditions of this notice, the proceeds of such check shall be forfeited to the city, with the city reserving the right to pursue any consequential damages as a result of such default.

CUSIP Numbers

CUSIP identification numbers will be printed on the

bonds, but neither the failure to print such number on any bond nor any error with respect thereto shall constitute cause for failure or refusal by the purchaser thereof to accept delivery of and pay for the bonds in accordance with the terms of this notice. All expenses in relation to the assignment and printing of CUSIP numbers on the bonds will be paid by the city.

Bid Forms

All bids must be made on forms that may be procured from the city clerk. No additions or alternations in such forms shall be made and any erasures may cause rejection of any bid. The city reserves the right to waive irregularities and to reject any or all bids.

Submission of Bids

Bids must be submitted in sealed envelopes addressed to the undersigned city clerk and marked "Proposal for the Purchase of General Obligation Bonds." Bids may be submitted by mail or delivered in person to the undersigned at city hall and must be received by the undersigned prior to 2 p.m. C.D.T. on Monday, June 25, 1990.

Official Statement

Upon the sale of the bonds, the city will adopt an official statement in substantially the form as the preliminary official statement, subject to minor amendments and supplementation. Copies of the city's preliminary official statement relating to the bonds may be obtained from the city clerk. Upon request, a reasonable number of copies of the official statement will be made available to the successful bidder without charge. Additional copies may be obtained at the expense of such bidder.

Assessed Valuation and Indebtedness

The total assessed valuation of the taxable tangible property (including motor vehicles) within the city for the year 1989 is \$113,293,710. The total general obligation bonded indebtedness of the city as of the date of the bonds, including the bonds, is \$15,949,000, including, as of the date of the bonds, temporary notes outstanding in the principal amount of \$3,824,000, of which \$2,969,000 will be retired out of the proceeds of the bonds herein offered for sale, with the balance being payable from other legally available and unencumbered funds of the city.
